

Suggested Pathway for Leadership in All Assembly

We suggest the following pathway through leadership in All Assembly

Assembly Chair Track

- Incoming Assembly Chair - **Serves one year before becomes Assembly Chair on Exec Committee**
- Assembly Chair 2 year term – **Voted**
- Immediate past Assembly Chair **1 year term Exec Committee**
- **Nominating Committee Chair 1 year term – Appointed by incoming Assembly Chair**

How to get there? Leadership Track

Service on both All Program and Planning committees, as well as service as Program Committee Chair, is recommended prior to nomination for All Assembly Chair.

Suggestions for Leadership Tracks include:

1. Serve as a member of the Program & Planning Committees

Option 1:

- Appointed Planning Committee Chair, 2 year term
- Nominated for Program Committee Chair – Elect
(must have served on Program Committee as member previously)
- If elected Program Committee Chair - Elect 1 yr term and transitions to Program Committee Chair for 1 year
- Nominated as All Assembly Chair - If elected serves 2 year term

Option 2:

- Nominated for Program Committee Chair-Elect (without previous Planning Chair)
- must have served on Program Committee as member previously
- If elected Program Committee Chair - Elect 1 yr term and transitions to Program Committee Chair for 1 year
- Nominated as All Assembly Chair - If elected serves 2 year term

➤ Past Assembly Chair is appointed Nominating Committee Chair

2. One year retirement for Program Committee Chair before nomination as All Assembly Chair would be encouraged (i.e. would not like to see back to back service as Program Chair then Assembly Chair)
