

# STAY AT THE FOREFRONT OF MEDICINE AND SCIENCE

When you subscribe to the official journals of the American Thoracic Society, you will have access to the entire library of articles published in the journals since 1997.

**American Journal of Respiratory and Critical Care Medicine**<sup>®</sup> Published twice monthly, the *AJRCCM* presents both original scientific articles and authoritative statements on the diagnosis and treatment of pulmonary diseases, critical care illnesses, and sleep disorders.

**American Journal of Respiratory Cell and Molecular Biology**<sup>®</sup> Published monthly, the *AJRCMB* contains original and basic research in pulmonary biology, including cellular, biochemical, molecular, developmental, genetic, and immunological studies of pulmonary diseases, critical care illnesses, and sleep disorders.

**Proceedings of the American Thoracic Society**<sup>®</sup> Published episodically throughout the year, *PATS* includes articles on broad topics in pulmonary, critical care, and sleep medicine. Coverage of these topics spans the latest bench, translational, and clinical research.
