

# You are invited to attend the free one-day event **Children's Interstitial Lung Disease (chILD) Education Day**

on Saturday, April 11, 2015 at Children's Hospital Colorado

This event is being co-sponsored by the American Thoracic Society (ATS), the chILD Foundation, and the chILD Program at Children's Hospital Colorado's Breathing Institute. This education day is being held in conjunction with the "chILD Week at the ATS" program — an educational activity designed to foster communication between clinicians, patients and patient advocates on lung and airway disorders such as children's interstitial and diffuse lung diseases.

**WHERE:** Anschutz Medical Campus

Nighthorse Campbell Native Health Building, Shore Family Forum, 13055 E. 17th Avenue  
Aurora, CO 80045 (Behind Children's Hospital. Parking is located next to the building)

**WHEN:** Saturday, April 11, 2015 from 8:45am-2:00pm MT

**WHO:** This event is free and open to chILD patients, family members, and the interested general public. A light breakfast and complimentary lunch will be provided.
