## 1. Topic Proposed:

## 2. Statement of Educational Need

Please state in 250 words or less the educational need for this topic to be presented to 2021 Grover attendees. Identify the methods you used in determining this need by checking appropriate boxes below, rather than stating them in narrative.

*e.g., How well does this topic fit the overall objectives of the Grover conferences? What is the gap in professional practice your Topic will try to fill? What was the problem? How did you know about this gap? How are you sure it is a gap in learners who would be attending the Grover Conference?*

## 3. Target Audience

## 4. How were the educational needs of this target audience assessed? Check all that apply.

- Requests from ATS members/similar learners
- Previous course evaluation asking for suggestions
- Survey of target audience (requesting content)
- Self-assessment tests (e.g. pre-test, post test, case vignettes in surveys)
- Faculty perception
- Advice from authorities in field
- This is a follow-up at a higher level to a previous course
- Review of literature (include corresponding links)
- New medical findings (include corresponding links)

## 2021 Grover Conference Call for Topics (Due July 10<sup>th</sup>, 2020)

- New guidelines (include corresponding links)
- Quality improvement data (include corresponding links)
- Formal needs assessment(s) by scholarly investigators (include corresponding links)
- Other (please explain below)

### 5. Objectives

*e.g., What will the learner will be able to do/do better after attending a session related to this topic? Please go beyond “will be able to describe” focusing on either change in practice or increased strategies integrated into work or practice and, if applicable, state the result of the objective as an improvement in patient health or population health.*

Please provide three learning objectives by completing this sentence.

*At the conclusion of this session, the learner will be able to: (AT LEAST ONE IS REQUIRED)*

### 6. Proposed Conference Schedule and Speakers:

For example, please refer to the 2019 Grover Conference Program here:
