

# ATS Respiratory Structure and Function Assembly

## 2019 – 2020 Web Committee

Web Director  
Jade Jaffar

j.jaffar@alfred.org.au

**Jade Jaffar**, PhD, ATSF is manager and primary scientist of the Alfred Lung Fibrosis Biobank at the Alfred Hospital (Melbourne Australia) and a Centres of Research Excellence in Pulmonary Fibrosis Fellow. Her research focuses on developing new cell-based assay systems for the study of fibrotic interstitial lung diseases. Her current projects pre-clinical development of novel anti-fibrotic therapies involving a combination of academic and industry collaborations.

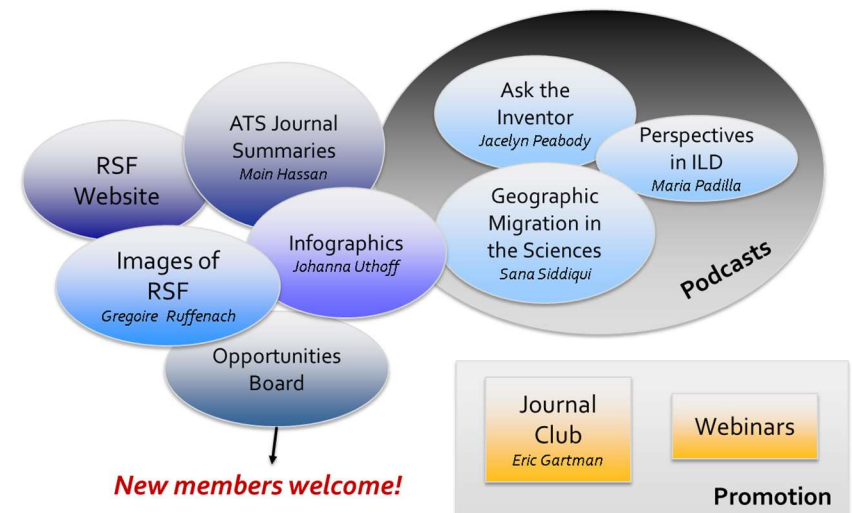

### Web Committee Charge

Offer **advice and guidance** on the creation, development and **coordination of content** of the ATS Website

### Benchmarks

- 1) Create content
- 2) Uniform content development process
- 3) Develop Assembly consensus on needs

If you or someone you know would like to join the RSF Web Committee, please email Jade Jaffar (j.jaffar@alfred.org.au)
