Notes
LOI and application deadlines are estimates based on recent announcements. For those past due, check back next year around the same time.
January

**AASM Foundation**
**Focused Projects Grant for Junior Investigators**

**Letter of Intent Deadline:** N/A

**Application Deadline:** January 9, 2023

**Target Applicants:** Physicians (MD or DO), Researchers (PhD, DNP, DNSc, PharmD, or other similar doctoral degree), or Dental scientists (DDS or DMD) who are within 10 years of completing their dental degree or who are current post-doctoral fellows. Individuals must identify a research mentor with the skills, knowledge, and resources to provide mentorship to the applicant in sleep and circadian research.

**Sponsored Research Field:** open to mentored projects that address one or more important unanswered scientific questions related to sleep, sleep disorders and/or sleep health, projects that will use the National Sleep Research Resource, or projects that will identify, evaluate and/or validate biomarkers to support insomnia (disorder) differential diagnosis and clinical treatment response

**Duration:** 1 year - 18 months

**Amount:** $40,000-$50,000

AASM Foundation Physician Scientist Training Grant

Letter of Intent Deadline: N/A

Application Deadline:
  Cycle 1: January 9, 2023

Target Applicants: Early career sleep medicine physicians who are committed to pursuing a research career in basic, translational, clinical or population sleep and circadian science

Sponsored Research Field: Sleep and circadian science, sleep disorders and/or sleep health

Duration: 1 year

Amount: $100,000

AASM Foundation
American Board of Sleep Medicine Junior Faculty Research Grant

Letter of Intent Deadline: N/A

Application Deadline:
  Cycle 1: January 9, 2023

Target Applicants: Physicians (MD or DO) who are board-eligible or board-certified in sleep medicine by a member board of the American Board of Medical Specialties or American Osteopathic Association, have completed their sleep medicine fellowship within the past 10 years, and hold a faculty appointment

Sponsored Research Field: Mentored projects in sleep and circadian science, sleep disorders and/or sleep health.

Duration: 2 years

Amount: $100,000
JANUARY CONTINUED

**Doris Duke Charitable Foundation Physician Scientist Fellowship**

**Letter of Intent Deadline:** N/A

**Application Deadline:** January 13, 2023

**Target Applicants:** Physicians scientists at the subspecialty fellowship level who are seeking to conduct additional years of research beyond their subspecialty requirement with the goal of aiding the transition into a research faculty appointment.

**Duration:** 2 years

**Amount:** $110,000 per year

FEBRUARY

**Sleep Research Society Small Research Grant Program**

**Letter of Intent Deadline:** LOI not required

**Application Deadline:** February 28, 2024

**Target Applicants:** trainees and early career investigators who otherwise do not have the institutional resources to support new studies and/or do not have a sustained record of external funding

**Sponsored Research Field:** intended to fund relatively inexpensive sleep and circadian science studies

**Duration:** 1 year

**Amount:** $5,000
MARCH

American Thoracic Society ASPIRE Fellowship

Letter of Intent Deadline: N/A
Application Deadline: March 15th, 2023

Target Applicants: Any pulmonary/critical care/sleep fellow or ORL resident can apply assuming they are at an institution with a T32 or in a Department with RO1 funded faculty, or international equivalent. International fellows are welcome to apply.

Sponsored Research Field: Fellows will be required to do pulmonary/sleep research. Training would align with the ACGME guidelines, but the order of training and the time slots for clinical sleep training during the research portions of the program would be flexible at each institution.

Duration: Duration of fellowship training
Amount: $3,000 during clinical years, and $10,000 during a research year

APRIL

AASM Foundation and CHEST Foundation Research Grants in Sleep Medicine

Letter of Intent Deadline: N/A
Application Deadline: April 10, 2023

Target Applicants: AASM or CHEST member for the lead applicant. Must have CHEST membership at time of application. Applicants must be licensed physicians. Physicians-in-training (residents or fellows), other health care professionals, or clinical researchers with relevant experience will also be accepted. Although applicants may be at later career stages, special consideration will be given to young investigators and applicants in early stages of their career. “Young Investigators” and “Early Career” are defined as residents/fellows/other health care researchers with relevant experience or practicing physicians who have completed their post-graduate training within the last 7 years.

AUGUST

**Sleep Research Society SRSF Career Development Award**

Letter of Intent Deadline: LOI not required

Application Deadline: August 27, 2023

**Target Applicants:** Applicants must be early career investigators within 10 years of receiving their doctoral degree who are at the post-doctoral, instructor, or assistant professor level

**Sponsored Research Field:** researching sleep/circadian research

**Duration:** 1 year

**Amount:** $50,000

SEPTEMBER

**American Thoracic Society Unrestricted Grants**

Letter of Intent Deadline: September 11, 2023

Application Deadline: January 8, 2024

**Target Applicants:** Early-stage investigators interested in basic science, translational, or clinical research in pulmonary, critical care, and sleep medicine

**Sponsored Research Field:** Research that advances the knowledge and understanding of pulmonary, critical care, and sleep medicine

**Duration:** 1 year

**Amount:** $40,000
OCTOBER

AASM Foundation Strategic Research Grant

Letter of Intent Deadline: October 24, 2022

Application Deadline: March 13, 2023

Target Applicants: Individuals with Master’s level degree or higher

Sponsored Research Field: High-impact research projects aimed at addressing gaps in knowledge that impact the ability to provide optimal, patient-centered, cost-effective diagnosis and care for patients with sleep disorders.

Duration:

   Category I: 1-3 years
   Category II: 1-2 years
   Category III: Up to 1 year

Amount:

   Category I: Up to $250,000
   Category II: Up to $100,000
   Category III: Up to $50,000
NOVEMBER

**Doris Duke Charitable Foundation Clinical Scientist Development Award**

Pre-proposal Application Deadline: November, 2022

Application Deadline: March 14, 2023

Target Applicants: Physicians scientists at the Assistant Professor rank to conduct clinical research projects with high significance and potential to improve human health. Additionally, the award aims to enable research time protection and facilitate development of strong mentorship relations in a supportive institutional environment.

Duration: 3 years

Amount: $165,000 per year
DECEMBER

American Lung Association American Lung Association Catalyst Award

Letter of Intent Deadline: N/A

Application Deadline: December 15, 2022

Target Applicants: Fellows and PhD post-docs are eligible to apply only if their Department Chair can assure a promotion to faculty status by the start of the award. MD applicants must have completed two years of post-doctoral research training by the start of the award.

Sponsored Research Field: research into the mechanisms of lung disease and general lung biology. Preference is given to projects that are novel; innovative in design/approach; utilize modern technologies; and incorporate a multidisciplinary collaborative training plan.

Amount: Up to $50,000

Duration: 2 years

American Heart Association Career Development Award

Letter of Intent Deadline: N/A

Letter of Intent Deadline: December 6, 2023

Target Applicants: Professionals in the early years of first professional appointment

Sponsored Research Field: Cardiovascular and/or cerebrovascular disease research

Duration: 3 years

Amount: $77,000 per year
DECEMBER CONTINUED

American Academy of Otolaryngology AAO-HNSF Resident Research Grant

Letter of Intent Deadline: December 16, 2022

Application Deadline: January 17, 2023

Target Applicants: Residents of an accredited otolaryngology-head and neck surgery training program

Sponsored Research Field: Original resident research in otolaryngology projects that are well-conceived and scientifically valid, with the potential to advance otolaryngology

Duration: 1 year

Amount: $10,000
