

Please join us for the **Section on Genetics & Genomics (SGG) Membership Meeting** at the ATS International Conference in Dallas TX.

SGG Chair: Michael H. Cho, MPH, MD & Co-Chair: Anthony Gerber, MD, PhD

FEATURING A SPECIAL PRESENTATION BY

Jonathan Cohen, Ph.D

"Angiopoietin-like proteins: Furnishing fuel for feast and famine"

Dr. Cohen is the C. Vincent Prothro Distinguished Chair in Human Nutrition Research in the Center for Human Nutrition and the Eugene McDermott Center for Human Growth and Development at UT Southwestern. His work has identified genes that play a key role in metabolic disorders, including the first genetic cause of non-alcoholic fatty liver disease, and loss of function mutations in *PCSK9*, the latter which have led to a novel class of FDA approved therapeutics.

Time: Sunday, May 19th 6:00-8:00 pm

Location : Hyatt Regency Dallas

Reverchon AB
(Atrium Level)
