Charleston, SC**

**Division of Pulmonary, Critical Care, Allergy, and Sleep Medicine
Medical University of South Carolina | Charleston, SC**

Updates in Pulmonary and Critical Care Medicine

South Carolina Thoracic Society Annual Conference

Conference Overview

The second year of the South Carolina Thoracic Society’s conference will cover a broad range of topics in pulmonary and critical care including alpha-1 antitrypsin deficiency, lung cancer, severe asthma, interstitial lung disease, non-invasive ventilation, and other advances in critical care. It will include up to 8 hrs of CME lectures which have been designed specifically for the pulmonary and critical care specialist. New features this year include fellows poster presentations, and case presentations with “Ask the Expert”. Many opportunities will be provided to the participants for questions and comments, as well as, networking with colleagues across the region.

The conference will be hosted at the Renaissance Charleston Historic District hotel and will combine learning with the scenic and historic backdrop of downtown Charleston.

Continuing Medical Education Credits

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Thoracic Society and South Carolina Thoracic Society. The American Thoracic Society is accredited by the ACCME to provide continuing medical education for physicians.

The American Thoracic Society designates this live activity for a maximum of 8.5 AMA PRA Category 1 Credit(s). Physicians should only claim credit commensurate with the extend of their participation of the activity.

Accommodations

Rooms have been reserved for this conference at the Renaissance Charleston Historic District hotel, 68 Wentworth St., Charleston, SC, 29401. The rate is \$309 Friday and Saturday night, plus tax and \$1 destination fee per night. The room block will expire September 7th, 2018.

Overall Objectives

- Upon completion of this conference, participants should be better able to:
1. Understand the current evaluation and management of patients with alpha-1 antitrypsin deficiency.
 2. Select appropriate type 2 inflammation-targeted therapies for patients with severe asthma on the basis of safety and efficacy data and asthma phenotype.
 3. Understand molecular basis of new therapies for lung cancer and appropriate evaluation of lung cancer patients.
 4. Understand latest controversies in management of ARDS and refractory hypoxemia.
 5. Understand the appropriate application of non-invasive ventilation to patients with respiratory failure.
 6. Evaluate and treat patients with advanced lung diseases and know when to refer these patients for transplantation.
 7. Evaluate and manage patients with pleural abnormalities.
 8. Understand the appropriate application of interventional bronchoscopy techniques to patients with airway lesions.

Disclosure Statement

In accordance with the ACCME Essentials and Standards, anyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interests in the healthcare industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose that information at the beginning of their presentation.

Americans with Disabilities Act

It is the policy of the Medical University of South Carolina not to discriminate against any person on the basis of disabilities. If you feel you need services or the auxiliary aids mentioned in this act in order to fully participate in this continuing medical education activity, please call the Division of Pulmonary at 843-792-2543 or attach a note to your registration.

Charleston named Top U.S. City for the 7th consecutive year!

Friday September 28, 2018

Renaissance Charleston Historic District Hotel, 68 Wentworth Street, Charleston, SC, 29401, 1-843-534-0300

- | | |
|-------------|--|
| 5:30-6:45pm | Registration & Happy hour |
| 6:50-7:00pm | Welcome, Introduction & Award Recognition - Lynn M. Schnapp, MD |
| 7:00-9:00pm | History of Alpha-1 Antitrypsin Deficiency from A to ZZ - Charlton Strange, MD |
- Plated dinner will be served*

Saturday September 29, 2018

Renaissance Charleston Historic District Hotel, 68 Wentworth Street, Charleston, SC, 29401, 1-843-534-0300

- | | |
|-----------------|-------------------------------------|
| 7:00am – 7:30am | Breakfast, Welcome and Introduction |
| 7:30am – 8:00am | Business Meeting |

Pulmonary Updates Session

Co-Chairs: Leslie Wilke, DO & Edward Kilb III, MD

- | | |
|-------------------|--|
| 8:00am – 9:00am | Achieving Better Control of Severe Asthma: New Understandings in Asthma Pathophysiology and Targeted Therapies - Nicola Hanania, MD MS
Lung Cancer Therapeutics: New Biologicals - Nichole Tanner, MD |
| 9:00am – 9:30am | |
| 9:30am – 10:30am | Ask the Experts- Nicola Hanania, MD MS, Antine Stenbit, MD PhD, Luca Paoletti, MD
Severe Asthmatic - Angelina Somoracki, DO MPH
NTM Bronchitis - Simon Waghchoure, MD
ILD - Lauren Davis, PA-C |
| 10:30am - 10:50am | Break |

Critical Care Updates Session

Co-Chairs: Sean Callahan, MD & Matt Day, DO

- | | |
|-------------------|--|
| 10:50am – 11:20am | Changing Role of Non-Invasive Ventilation - Edward Kilb III, MD |
| 11:20am – 11:50am | Should I Stay or Should I Go: Critical Inter-Facility ICU Transfers - Nandita Nadig, MD |
| 11:50am – 12:50pm | Ask the Experts- Syed Malik, MD, Rahul Argula, MD, Dee Ford, MD MSRC
Refractory Hypoxemia - Olusola Isikalu, MD
Pulmonary Hypertension - Nicholas Fox, MD
Ethics - Sarah Knapp, MD |
| 12:50pm – 1:50pm | Lunch & Poster Session |

Break Out Sessions

Choose two topics, one hour each

- | | |
|-----------------|---|
| 1:50pm – 3:50pm | Management of Central Airway Obstruction - Nicholas Pastis, MD & Rohan Arya, MD
Practice Management - Phillip Warr, MD
Advanced Lung Disease and Transplantation - Timothy Whelan, MD
Problem Based Learning on Pleural Diseases - Terrill Huggins, MD |
|-----------------|---|

- | | |
|---------------|--|
| 3:50 - 5:00pm | Meet & Greet, Closing Reception in Hospitality Suite |
|---------------|--|
