

The ATS Public Advisory Roundtable (PAR) is pleased to invite you to our 15th annual free patient and family forum

## Meet the Experts

*“Going Virtual with Patients and Families”*

**Register Now ▶**

This live virtual patient education event is being held in conjunction with the ATS 2021 International Conference.

Morning talks will go from **10:00 a.m. – 12:00 p.m. EDT.**  
Afternoon breakouts will go from **12:00 pm - 1:30 pm EDT.**

**Saturday, May 15, 2021**

**10:00 a.m. - 1:30 p.m. EDT**

*The panel includes:*

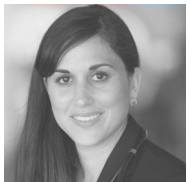

**Jaspal Singh, MD**

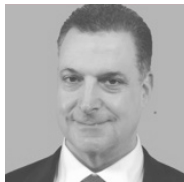

**Samantha Connolly, PhD**

**Justin Ortiz, MD**

**Neeta Thakur, MD**

**Charles A. Powell, MD**

**DorAnne Donesky, PhD**

This year’s talks will focus on patients and families and how they navigate health care access in a post-pandemic world.

The following experts will be available for informal discussions in breakout rooms in the afternoon segment:

<b>Allergy/Asthma</b>	Bradley Chipps, MD
<b>Scleroderma</b>	Virginia Steen, MD
<b>Primary Ciliary Dyskinesia (PCD)</b>	Amjad Horani, MD/Steven Brody, MD Ricardo Mosquera, MD
<b>Hermansky Pudlak Syndrome</b>	Bernadette Gochuico, MD
<b>LAM/Tuberous Sclerosis Complex</b>	Nishant Gupta, MD
<b>Pulmonary Fibrosis</b>	Tejaswini Kulkarni, MD

# Program
