Conducting, Analyzing, Presenting and Publishing Medical Education Research: A Curated Toolkit by the ATS Scholar Editorial Board

**Applying for a grant:**
- How to write an educational research grant: AMEE Guide No. 101: Blanco (2016)
- Show Me the Money: Successfully Obtaining Grant Funding in Medical Education. Gottlieb (2019)
- Twelve tips for writing educational research grant proposals. Blanco (2012)

**Research methodology: General scholarship**
- The EQUATOR network website: Reporting guidelines for various types of studies, including those for Systematic Reviews (PRISMA), Qualitative Research (SRQR), Quality Improvement (SQUIRE), and a checklist for reporting the use of OSCEs
- Using consensus group methods such as Delphi and Nominal Group in medical education research: Humphrey-Murto (2016)

**Research methodology: Survey studies**

**Research methodology: Qualitative studies**
- Conducting Quantitative Medical Education Research: From Design to Dissemination: Abramson 2017)
- Peer interviewing in medical education research: experiences and perceptions of student interviewers and interviewees: Byrne (2015)
- Social network analysis in medical education: Isba (2016)
- Knowledge Syntheses in Medical Education: Demystifying Scoping Reviews: Aliki (2017)
- Using qualitative interviews within medical education research: why we must raise the “quality bar”: Reeves (2006)
- Qualitative research in medical education: methodologies and methods: Ng (2014)

**Research methodology: Quality and process improvement studies**

**Assessment instruments:**
- Assessment in Medical Education: Epstein (2007)
- What Do Our Respondents Think We’re Asking? Using Cognitive Interviewing to Improve Medical Education Surveys: Willis (2013)
- Developing questionnaires for educational research: AMEE Guide No. 87: Artino (2014)
- A Primer on the Validity of Assessment Instruments: Sullivan (2011)

**Ethics and legalities in medical education research:**
- The Ethics of Conducting Graduate Medical Education Research on Residents. Keune (2013)
- Education Research and Human Subject Protection: Crossing the IRB Quagmire: Sullivan (2011)
- Academic Conflict of Interest: Annane (2019)

**Data analysis:**
- Data analysis in medical education research: a multilevel perspective: Leppink (2015)
**Presenting data and writing:**
- Write and represent qualitative data: Muddiman (2016)
- Presenting Data From Health Professions Education Research in Tables and Figures: Campi (2016)
- Writing Education Studies for Publication: Sullivan (2012)

**Authorship:**
- Committee on Publication Ethics (COPE) Authorship Discussion Document
- Defining the Role of Authors and Contributors: International Committee of Medical Journal Editors (ICMJE)

**Promoting your research:**
- Making an infographic in 6 steps: Kaul (2021)
